Re: Lachenal v. Minisink Valley Central School District  
Civil Action No.: 7:24-cv-02497  
Our File No.: 400-135

Dear Judge Halpern:

This letter is to request an adjournment of the due date for defendant's motion for summary judgment that is to be filed by March 3, 2025. The reason for this request for adjournment is that new evidence has been discovered today, February 28, 2025, that is paramount to the defendant's position. The evidence will be an affidavit from a non-party witness and will be attached to defendant's motion for summary judgment. Therefore, if the Rule 56.1 statement needs to be amended, defendant will do so and provide the new evidence to plaintiff. Defendant requests a 14-day adjournment of the motion filing date or any further or different relief this court deems just and proper.

Defendant has not requested an adjournment until now. Plaintiff has consented to the adjournment.

Thank you for your attention herein and we will await the Court's response.

Respectfully,

  
Robert T. Dore, Esq
